506	In the last six months, did you talk about malaria with your spouse or partner?	YES NO	1 2
507	In the last six months, did you talk about malaria with your friends or relations?	YES NO	1 2

**MALARIA BEHAVIOR SURVEY
LOW TRANSMISSION WOMEN'S QUESTIONNAIRE**

508	In the last six months, did you talk about malaria with your co-workers or boss?	YES NO NOT APPLICABLE	1 2 9	
509	In the last six months, did you talk about malaria with a leader in your community?	YES NO	1 2	
510	In the last six months, did you talk about malaria with a religious leader in your community?	YES NO	1 2	
511	In the last six months, did you talk about malaria with a health worker in your community?	YES NO	1 2	

Perceived threat of malaria

GENERAL MALARIA IDEATION: PERCEIVED THREAT					
I am going to read a series of statements or questions to you and I would like you to tell me if you agree or disagree with the statement. <i>Interviewer: do not read 'DON'T KNOW/UNCERTAIN' response and only use if respondent is not able to provide another answer.</i>					
		AGREE	DISAGREE	DON'T KNOW/ UNCERTAIN	NOT APPLICABLE
PERCEIVED SUSCEPTIBILITY					
512	People in this community only get malaria during rainy season	1	2	9	
513	Nearly every year, someone in this community gets a serious case of malaria	1	2	9	
514	When your child has a fever, you almost always worry that it might be malaria	1	2	9	
515	During the rainy season, you worry almost every day that someone in your family will get malaria	1	2	9	
516	When traveling away from home, you worry that you will get malaria	1	2	9	
517	When at work or traveling for work, you worry that you will get malaria	1	2	9	88
518	When you are out socializing at night, you worry that you will get malaria.	1	2	9	88
519	When you are out attending an event such as a wedding, funeral, or religious service at night, you worry that you will get malaria	1	2	9	88
520	Someone is more likely to get malaria when they are outdoors at night than if they are indoors	1	2	9	88
521	When you are working away from home, you are more worried about getting malaria than when you are at home	1	2	9	88
PERCEIVED SEVERITY					
522	You do not worry about malaria because it can be easily treated	1	2	9	
523	Only weak children can die from malaria	1	2	9	
524	Every case of malaria can potentially lead to death	1	2	9	
525	When someone you know gets malaria, you usually expect them to completely recover in a few days	1	2	9	
PERCEIVED RESPONSE EFFICACY					
526	Efforts from leaders in your community will help end malaria	1	2	9	
527	Your efforts, for example sleeping under a net or spraying the inside of your house, are helping to end malaria in your community.	1	2	9	88

Attitudes

NETS- ATTITUDES	
I am going to read a series of statements or questions to you and I would like you to tell me if you agree or disagree with the statement.	

**MALARIA BEHAVIOR SURVEY
LOW TRANSMISSION WOMEN'S QUESTIONNAIRE**

Interviewer: do not read 'DONT KNOW/UNCERTAIN' response and only use if respondent is not able to provide another answer.

NO.	QUESTION	AGREE	DISAGREE	DON'T KNOW/ UNCERTAIN
601	It is easier to get a good night's sleep when I sleep under a mosquito net	1	2	9
602	It is not easy to sleep under a net because every night you have to unfold it and cover the sleeping space	1	2	9
603	It is not easy to bring a net when I spend the night away from home	1	2	9
604	I do not like sleeping under a mosquito net when the weather is too warm	1	2	9
605	Sleeping under a net is an inconvenience for a couple that wants to make children	1	2	9
606	The smell of the insecticide makes it uncomfortable for me to sleep under a mosquito net	1	2	9
607	Mosquito nets are generally easy to use for sleeping	1	2	9
608	Insecticide-treated nets does not pose a risk to one's health	1	2	9
609	Mosquito nets are very useful	1	2	9
610	More expensive mosquito nets are more effective than cheaper or free mosquito nets	1	2	9
611	There are actions I can take to help my mosquito net last long	1	2	9
612	I can protect my family against malaria by taking care of my mosquito net	1	2	9
612A	Other people in this community fix take care of their mosquito nets (agree)	1	2	9
612B	I am confident I can fold or tie up the nets in my home every day after using them	1	2	9
612C	It is worth taking the time to care for my mosquito net	1	2	9
612D	I am confident that I can prevent children from playing with the net	1	2	9
612E	An old net can still protect against malaria if it is well cared for	1	2	9
613	It is easy for me to use a net when I am travelling or working away from home	1	2	9
614	It is easy for me to use a net when I am sleeping outside	1	2	9

Perceived response efficacy

NETS- PERCEIVED RESPONSE EFFICACY

I am going to read a series of statements or questions to you and I would like you to tell me if you agree or disagree with the statement.
Interviewer: do not read 'DONT KNOW/UNCERTAIN' response and only use if respondent is not able to provide another answer.

NO.	QUESTION	AGREE	DISAGREE	DON'T KNOW/ UNCERTAIN
615	Mosquito nets prevent mosquito bites only when used on a bed	1	2	9
616	The chances of getting malaria are the same whether or not one sleeps under a mosquito net	1	2	9
617	Sleeping under a mosquito net every night is a good way to avoid getting malaria	1	2	9
618	Using a mosquito net while sleeping outside would reduce the chances of getting malaria	1	2	9

Perceived self-efficacy

NETS - PERCEIVED SELF EFFICACY

I am going to ask you about a series of actions you could take and I would like you to tell me if you think you could or could not do each action successfully.
Interviewer: Do not read 'DONT KNOW/UNCERTAIN' response and only use if respondent is not able to provide another answer.

NO.	QUESTION	COULD	COULD NOT	DON'T KNOW/ UNCERTAIN
619	Sleep under a mosquito net for the entire night when there are lots of mosquitoes	1	2	9
620	Sleep under a mosquito net for the entire night when there are few mosquitoes	1	2	9
621	Sleep under a mosquito net every night of the year	1	2	9
622	Get all of your children to sleep under a mosquito net every night of the year	1	2	9
623	Sleep under a mosquito net most nights that I am sleeping away from home	1	2	9
624	Sleep under a mosquito net most nights that I am working away from home	1	2	9
625	Use a mosquito net most of the time that I am sleeping outdoors	1	2	9
